The following peony plants are grown in fields that are cultivated only for the sale of plants. Flowers are not cut from these fields.

★ JUL 17 1961

U. S. Department of Agriculture

Divisions are taken from 2 to 3 year old plants that are grown on "new" land. We rogue our fields while they are in bloom to be sure that varieties are true to name.

Other varieties not listed are available in small quantities. Write for prices on large quantities.
